

Attorney's Docket No.: 10559-389001/P10252

REMARKS

Reconsideration and allowance of the above application are respectfully requested.

New claims and claim amendments are presented herein to obviate the current rejection.

Concluding Comments

It is believed that all of the pending claims have been addressed in this paper. However, failure to address a specific rejection, issue or comment, does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above are not intended to be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

Applicant asks that all claims be allowed. Please charge Deposit Account No. 06-1050 \$790 for the Request for Continued Examination and a \$120 for the Petition for Extension of Time fee. Please apply any other charges or credits to Deposit Account No. 06-1050.
